To ensure the health and safety of all guests and staff, the following policies will be in place:

- Masks covering both nose and mouth are required by all guests and staff. Guests may only remove their mask when seated at their table.
- Social distancing of six feet between parties is required at all brunch stations.
- All brunch stations will be attended by Chefs wearing both masks and gloves at all times. Guests cannot serve their own food, but all stations are unlimited and can be visited multiple times.
- All brunch stations will be disinfected regularly with high-touch surfaces being disinfected every 30 minutes.
